PROFILE

Ricki Boye specializes in corporate law and M&A, often representing the seller as a trusted advisor for owner-managed businesses. He provides advice particularly on Danish and international M&A, including mergers, joint ventures, MBI, MBO, and venture funding. Ricki has a special focus on advising start-ups, including capital raising, financing, and investment agreements. He is actively involved in DTU / Science Parks accelerator programs, where he contributes his knowledge and experience.

With an educational background in the financial sector, he possesses a unique ability to handle complex financial issues in a legal context. This enables him to effectively advise and support companies through various stages of their development, from start-ups to established businesses and potential exits.

Ricki is also active in board work, both as a regular member and as chairman in various companies. Here, he acts as a sparring partner for management and ownership, primarily in legal and financial matters. This makes him a valuable resource for any organization seeking growth and innovation.
